## 2018 Season Show Descriptions

**FOREVER PLAID** - When four young singers (Sparky, Smudge, Jinx and Frankie) are killed in a car crash on their way to their first big gig, they posthumously take the stage for one final concert in this goofy, 1950s nostalgia trip. It is at the moment when their careers and lives end that the story of *Forever Plaid* begins... Filled with goofy fun and classic harmonies, this show is a delightful trip to a more innocent time.

**GUYS AND DOLLS** features the unlikeliest of Manhattan pairings: a high-rolling gambler and a puritanical missionary, a showgirl dreaming of the straight-and-narrow and a crap game manager who is anything but.... This 1950 Tony Award-winner for Best Musical is based on short stories by American author Damon Runyon and features such classics as "Luck Be a Lady," "A Bushel and a Peck," and "Sit Down You're Rockin' the Boat." It's rollicking fun for the whole family!

**LEGALLY BLONDE, THE MUSICAL** proves that first impressions aren't always correct (*and that pink is the new black!*)! This award-winning musical follows the transformation of sorority girl Elle Woods as she follows ex-boyfriend, Warner, to Harvard Law and tackles stereotypes, snobbery, and scandal in pursuit of her dreams. *Legally Blonde, The Musical* will take you from the sorority house to the halls of justice with theatre's brightest new heroine (*and, of course, her chihuahua, Bruiser*). ### **THE LAST OF THE RED HOT LOVERS**

True comedy ensues when nebbish Barney tries to join the sexual revolution, looking for something new and different, but finds himself in the same situation, again and again!

### **THE MOUSETRAP**

Experience one of the greatest mysteries ever written in Agatha Christie's classic whodunit.

The longest running play in theatre history; beginning in 1952 in London's West End and continuing on today! In Coeur d'Alene Summer Theatre's staged reading, you have the opportunity to enjoy all the spine-tingling drama as a group six strangers, lodging in Monkswell Manor, are stranded by a snowstorm. They learn that a murderer is among them, and before long, they begin to die. Can you guess who the murderer is?
